Dear Mr. Hartford,

We re-served your client on June 3 through its president and registered agent, James Munn. Please find attached a proof of service indicating this information.

Please advise (1) whether you intend will withdraw your current motion and (2) if ATN will answer or otherwise respond with something other than a service objection by June 24.

Please respond by noon on Wednesday, as I will need time to formulate a response to your motion if, for some reason, you won't withdraw it.

Also, I'd like to call to your attention that we are supposed to have a Rule 26 conference by June 25. (See attached order re initial case management conference.) Please advise re your availability for a call to discuss the Rule 26 agenda.

Regards,  
David DeGroot
